Call the automated
DirectRequest System for
all of your Permit Center
transactions 24 hours a day.

The City of Redmond
Permit Center
15670 NE 85th Street
1st Floor City Hall

www.ci.redmond.wa.us

Welcome to *DirectRequest*

In an ongoing effort to improve service, the City of Redmond has implemented the *DirectRequest* system to provide 24 hour access to Permit Center services and information via phone.

DirectRequest Line

(425) 556-2435

- Schedule Inspections
- Cancel Inspections
- Retrieve Inspection Results
- Check Plan Review Status
- Retrieve Inspection History
- Check Zoning Status

Before Calling You Will Need:

- A touch-tone telephone
- A site-specific permit number
- An inspection code (for inspections/plans)
- A parcel or address (for zoning)

Choose From the Following Options:

- Press 1** Schedule an Inspection
- Press 2** Cancel an Inspection
- Press 3** Obtain Inspection Results
- Press 4** Check Plan Review Status
- Press 5** Fax Inspection History
- Press 6** Check Zoning Status
- Press 0** Transfer to Staff
- Press #** Disconnect and Hang Up
- Press *** Additional Information

The *DirectRequest* system will prompt you through the steps below during your call. You may perform multiple transactions during each call. At the end of the call you will be issued a confirmation number. We recommend that you keep a record of your confirmation numbers and associated transactions in case they are needed for future reference.

1 Schedule an Inspection

1. Enter the permit type.
2. Enter the permit number.
3. Enter the inspection code from the list on the outside of this brochure.
4. Enter the inspection date.
5. Leave a message for the inspector (optional).

After you have scheduled the inspection, you will have the option to:

- Request another inspection, same permit.
- Request another inspection, different permit.
- Get a confirmation number and hang up.
- Return to the main menu.

2 Cancel an Inspection

1. Enter the permit type.
2. Enter the permit number.
3. Enter the inspection code from the list on the outside of this brochure.

After you have cancelled the inspection, you will have the option to:

- Cancel another inspection, same permit.
- Cancel another inspection, different permit.
- Get a confirmation number and hang up.
- Return to the main menu.

3 Obtain Inspection Results

1. Enter the permit type.
2. Enter the permit number.
3. Enter the inspection code from the list on the outside of this brochure.

After you have obtained the results, you will have the option to:

- Receive a fax of these results.
- Listen to more results, same permit.
- Listen to more results, different permit.
- End the call and hang up.
- Return to the main menu.

4 Check Plan Review Status

1. Enter the permit type.
2. Enter the permit number.

After you have listened to the plan review status, you will have the option to:

- Receive plan status via fax.
- Hear the status of another plan.
- End the call and hang up.
- Return to the main menu.

5 Fax Permit Inspection History

1. Enter the permit type.
2. Enter the permit number.
3. Enter your fax number.

After your request has been scheduled, you will have the option to:

- Request a faxed history, different permit.
- End the call and hang up.
- Return to the main menu.

6 Check Zoning Status

1. Enter the site parcel number or address.

After you have listened to the zoning information, you will have the option to:

- Repeat the zoning information you just heard.
- Hear zoning information, different site.
- Request a fax of the zoning information you just heard.
- End the call and hang up.
- Return to the main menu.

0 Transfer to Staff and Additional Information

You can press "0" at any time to transfer to a live staff member. You can also press "*" to hear an explanation of your current options.
